Head Teacher: Mrs Valerie Bleakley

27th October, 2008

Dear Parent/Caregiver

We offer a warm welcome back to pupils and children after the October holiday, refreshed and eager to participate in new learning experiences.

As you may have heard, our Head Teacher, Valerie Bleakley, underwent major surgery during the holidays. She is recovering well and is hoping to be out of hospital early this week. She is very much in our thoughts and we wish her a speedy recovery.

She will be out of school initially for a period of about three weeks. During her absence myself and Moira King will be Acting Head and Acting Depute Head respectively.

Could I also take this opportunity to remind everyone to listen to Radio Orkney in the mornings. Severe weather is forecast for the next few days and any school closure information will be announced during a broadcast.

Yours sincerely

Ms Angela Rosie
Acting Head Teacher
